Commander's Call

Hello Braxton-Perkins Post 25 family!

This past month we had the honor of hosting the Old Dominion Honor Flight at our Post. We welcomed them with a breakfast and a good send off, then welcomed them home at 10pm at night. I want to thank the members AND families who came out to support our efforts. I especially want to thank the youth who participated with the JROTC in the morning and those who held signs up to welcome back these WWII, Korea, and Vietnam Veterans at night. You truly made a difference. We will be hosting this event again in the spring and I hope we can make it larger.

Next coming this month is Wreaths Across America on December 16th. I will be in Arlington with my family laying wreaths and playing bagpipes for the fallen. I encourage all our members AND their families and friends to join this effort locally to lay wreaths on every military grave at our military cemeteries in Newport News and Hampton. Please take a few hours from 8 am until Noon to honor those Veterans. Remember when you lay the wreath to say their name out loud, so they are never forgotten.

As we rebuild the club here are some of the updates. We have hot water in all the front bathrooms finally. This work was completed by the Foundation. Secondly, we will be closing the Post down for 3 days in late November or early December to have the sewer problems repaired.

The exterminators and the health department have been in. We are in control of the roach problem and the health department gave us a clean report. We will continue to move forward on club issues.

Finally, problems within the Post can be solved through communication. Concerns should be addressed directly to the Commander and not left to the bar to circulate. I have said this before, the bartenders are employees, and should not be the resource you reach to. Moving forward, I have directed the club manager to follow the house rules for patrons AND employees.

This Post has seen its ups and downs however I believe we are on the road to move forward. with your help. Let's all work together to move our Post forward and improve the lives of our veterans.

I want to take this opportunity to give a big “Thank You” to Ray Anderson, Chris Adkins, Chris Garrett, Smitty, & David Garrett for their efforts this year with karaoke and DJing. We are blessed to have some talented folks donate their time and talents to the post and work for tips. While the post does pay Ray Anderson and Chris Adkins, both have donated their time and talents for various events and extra dates. When these folks donate their time and talents with us, we try to recognize them by tipping them. It is imperative that members show up and support these events and these folks.

Finance Officer

Our gaming income continues a slow steady rise. We are still well below our recent averages. If you aren’t aware, gaming income is our primary source of income, and we are required to make donations of 20% of the gross gaming income to outside charities. This leaves us 30% of all proceeds to run the post. If anyone has any ideas of other ways, we can make money to support the post please let us know. It takes all of us to support this post and we need everyone’s input and help.

From the Post Historian

82 years ago this month, the air and naval forces of the Japanese Empire made a surprise and dastardly attack upon our nation and drew us into the Second World War.

We lost heavily and had a bloody nose and at the end of the day the battleship fleet in the Pacific was seriously damaged, with 4 sunk and 4 more damaged and over 2,400 Americans killed.

But like the phoenix, we arose from the ashes. All but two returned to service to wreak retribution upon the enemies of our nation and bring about a peace that for all intents and purposes until this day.

Today, let us resolve that those who gave their lives in that war did not do so in vain, but resolve that we will remain the beacon of hope for the world.

If you are free on December 7th at 4PM please feel free to join us at the War Museum for our annual commemoration.

For God and Country,
Chris Garcia

Post Service Officer

As the holidays are upon us, please be sure to keep an eye out on our fellow legionnaires and Veterans as this is one of the hardest times of the year for many.

The post will be hosting a Red Cross Blood Drive on Wednesday December 20 from 10AM-2PM. Please come out and support us. If you can't give blood and would like to volunteer to help, please let me know. The blood you donate may give someone the best present this holiday season – the gift of life.

Judge Advocate Report

How a motion works:

When making a motion for spending money or Good of the Legion, you make the motion, then wait for someone to second the motion. If the motion doesn't have someone second it, the motion dies on the floor. Once seconded, the motion then opens for discussion. You have a limited amount of time to discuss the motion which is set by the bylaws or Roberts Rules of Order. Once your time is up, you cannot speak on that motion until all other members have spoken. You can only speak twice on a motion and no more.

Bylaws Review:

The bylaws review has been completed and the bylaws were presented to the membership and voted to be sent to the Executive Board for review before a recommendation and vote by the General Membership. The bylaws are available for review and have been sent out electronically by email, printed and posted in the social quarters, and available on the post's website at <https://www.valegion25.org/index.php?id=128>.

Please be ready to discuss at the December General Membership Meeting on December 21, 2023, at 7pm. If you have concerns or comments, please note the Article and paragraph number to help speed the discussion process.

Chaplain's Corner **A Mouse Story**

A mouse looked through the crack in the wall to see the farmer and his wife open a package. "What food might this contain?" the mouse wondered. He was devastated to discover it was a mousetrap.

Retreating to the farmyard, the mouse proclaimed the warning. "There is a mousetrap in the house! There is a mousetrap in the house!"

The chicken clucked and scratched, raised her head, and said, "Mr. Mouse, I can tell this is a grave concern to you, but it is of no consequence to me. I cannot be bothered by it."

The mouse turned to the pig and told him, "There is a mousetrap in the house! There is a mousetrap in the house!" The pig sympathized, but said, "I am so very sorry, Mr. Mouse, but there is nothing can do about it but pray. Be assured you are in my prayers."

The mouse turned to the cow and said "There is a mousetrap in the house! There is a mousetrap in the house!" The cow said, "Wow, Mr. Mouse. I'm sorry for you, but it's no skin off my nose."

So, the mouse returned to the house, head down and dejected, to face the farmer's mousetrap alone. That very night a sound was heard throughout the house – like the sound of a mousetrap catching its prey. The farmer's wife rushed to see what was caught. In the darkness, she did not see it was venomous snake whose tail the trap had caught. The snake bit the farmer's wife. The farmer rushed her to the hospital, and she returned home with a fever.

Everyone knows you treat a fever with fresh chicken soup, so the farmer took his hatchet to the farmyard for the soup's main ingredient. But his wife's sickness continued, so friends and neighbors came to sit with her around the clock. To feed them the farmer butchered the pig. The farmer's wife did not get well, she died. So many people came for her funeral that the farmer had the cow slaughtered to provide enough meat for all of them.

The mouse looked upon it all from his crack in the wall with great sadness.

So, the next time you hear someone is facing a problem and think it doesn't concern you, remember – when one of us is threatened, we are all at risk. We are all involved in this journey called life. We must keep an eye out for one another and make an extra effort to encourage one another.

"Bear one another's burdens, and so fulfill the law of Christ." Galatians 6:2

American Legion Auxiliary Report

The next meeting is on December 7, at 7pm at the Post. The Third District President has been invited to attend the December meeting. It will also be the Auxiliary membership Christmas party. Please bring something to share. The December business is to cover changing the membership meeting time from the first Thursday of the month to the third Thursday of the month. The time and location are to remain the same.

I would like to thank the members who attended and helped with the Honor Guard breakfast, and the Veterans Day events. Two members attended the Fall Conference. The meeting of November 2nd had a full quorum, and we were able to conduct Auxiliary business. We voted in new members. The membership chair reported that the membership cards have been lost, and replacements are being obtained. We have 18 paid members currently.

The Post needs help with the children's Christmas on December 9. Any members that wish to have their children attend the party must sign up. The sign-up sheet is in the social quarters. The Auxiliary will need help with stuffing gift bags for the SCI unit at the Hampton VA. We are in the process of getting a new list of current SCI patients. There is not a time set up for this project, and text blast will be sent out with date and time.

American Legion Riders Report

November was another busy month for the Riders. We started off the month with a chilly ride to escort the Old Dominion Honor Fight attendees to the Marine Corps Museum in Quantico, VA. We left the Post at 7am with 16 bikes and 17 riders. I want to give my personal thanks to everyone that helped put this on. It says a lot to the members of the community when we do things like this to honor our Veterans. I want to give a special thanks to the Newport News Police and Sheriff's Departments for the amazing escort from the post to I-64. It was quite impressive to ride down Mercury with the entire road blocked just for us.

We again made our presence known in the community. We had the honor and privilege to participate in the local HOG chapter's Toys for Tots campaign in support of the US Marine Corps program.

We tried something different for our monthly meeting and when out to dinner at Smithfield Station. It was well attended and enjoyed.

As a reminder, any Legion Family member can join the Riders as either a Rider or Supporter. Our main purpose and goals are to raise funds to support our 4 pillars of the American Legion.

Braxton-Perkins Post 25 Foundation

Let me start by saying I hope everyone had a good Thanksgiving. We have news to share with everyone, the foundation has awarded the contract to have the plumbing drains reworked to hopefully end the persistent clogs and backups. As soon as the city issues the permits work will begin. The bad news is that while the work is being done the Post will have to be closed. We have been told it will take 3 days to finish and we have asked for a Monday start to ensure we can still be open for the weekends. We have also awarded a contract to have the lights in the Quonset Hut replaced with LED fixtures. We are still looking for a painter. If you have any connections with a painting company, please pass that information to a board member so they can set a time for a walk through.

We hope this communication is helpful.
